Another Indie Favorite

Our Endless Numbered Days: A Novel, by Claire Fuller (Tin House Books, \$15.95) "Peggy, a highly imaginative and clever eight-year-old, lives in London with her famous pianist mother and survivalist father. Something is a little strange about her parents' marriage, and Peggy observes the grownups in her life behaving in ways that often perplex and sometimes scare her. When her mother leaves to go on an extended tour, Peggy is left at home with her father who, without warning, changes the course of their lives irrevocably. This is a beautifully written novel that defies categorization, and the ending will knock your socks off!" —Pam Cady, University Book Store, Seattle, WA
