Another Indie Favorite

Maple & Willow Together, by Lori Nichols (Nancy Paulsen Books, \$16.99)

"After falling in love with little Maple, readers have the pleasure of meeting her baby sister, Willow, and seeing them grow up together and act just like real sisters—with lots of imagination, little disagreements, a few arguments, and then a whole lot of making up. This story had me smiling and holding both of my own little girls close as we read it over and over. Absolutely precious." —Beth Page, Auntie's Bookstore, Spokane, WA
