Another Indie Favorite

Water Is Water: A Book About the Water Cycle, by Miranda Paul, Jason Chin (Illus.) (Roaring Brook Press, \$17.99) "This nonfiction picture book makes it fun to learn about the water cycle, from water to steam and from clouds to rain and back again. Younger readers will like the poetic, rhyming text, and older readers will learn something new from all the water cycle facts. Chin's stunning illustrations add to this innovative and informative book." —**Melissa Oates, Fiction Addiction, Greenville, SC**
