Another Indie Favorite

The Meursault Investigation: A Novel, by Kamel Daoud (Other Press, \$14.95) "The Meursault Investigation is a complex and subtle reckoning with the legacy of colonialism and the silences it imposes. Although the novel was conceived in the shadow of Camus' *The Stranger*, readers realize quickly that it haunts those shadows not because it lacks its own light, but because Daoud wants to plumb the depths of that darkness to tell a story that demands to be heard. I hope everyone listens." —**Stephen Sparks, Green Apple Books on the Park, San Francisco, CA**
