### Another Indie Favorite

**Next Life Might Be Kinder: A Novel, by Howard Norman (Mariner, \$14.95)** "Norman's new novel has the elements that make all of his previous novels so superb: the elegant writing, an omnipresent sense of place, an exploration of love, and the tension of a quiet center punctuated by bursts of violence. The story of Sam Lattimore in the aftermath of his beloved wife's murder is erotically charged, mysterious, and haunting. You shouldn't miss it." —**Carole Horne, Harvard Book Store, Cambridge, MA**
