### Other Indie Favorites

**The Book of Speculation: A Novel, by Erika Swyler (St. Martin's Press, \$26.99)** "Hauntingly beautiful, *The Book of Speculation* weaves a spectacular multigenerational story of magic, love, betrayal, and redemption. The story follows Simon, a young librarian and the descendant of circus mermaids, whose family is steeped in loss. Alongside his story is woven another's: Amos, a mute boy from the 1700s with a special gift. As histories are unveiled and unlikely connections are discovered, Simon is sent a mysterious book with a sinister message. Can he discover the secret that haunts his family in time? Fantastical history, engaging characters, and a love of the written word combine in this compelling novel." —**Jax Caldwell-Dunn, Bookshop Santa Cruz, Santa Cruz, CA**

**The Truth and Other Lies: A Novel, by Sascha Arango (Atria Books, \$24.99)** "Henry Hayden has it all: loving wife, faithful dog, money, fame, and the respect of those lucky enough to be called his friends. Henry is actually someone who will go to extreme lengths to protect the one thing that truly matters to him—himself. When his mistress tells Henry that she is pregnant, the news sets off a chain of events that causes Henry to commit the biggest mistake of his life and forces him to stay one step ahead of the law. Arango's novel is twisty, cynical, and brilliant." —**Teresa Steele, Old Firehouse Books, Fort Collins, CO**
