Another Indie Favorite

Orphan #8: A Novel, by Kim van Aldemede (William Morrow Paperbacks, \$14.99) "In 1919, tragedy strikes and four-year-old Rachel is separated from her brother, Sam and sent to a Jewish orphanage. There, in the name of research, Dr. Mildred Solomon, subjects her to experiments with X-rays, leaving Rachel disfigured, bald, and the brunt of cruelty by other orphans. To Dr. Solomon, Rachel is just Orphan Number Eight. Years later, Dr. Solomon ends up with cancer and reliant on morphine in Manhattan's Old Hebrews Home, where Rachel is the attending nurse. This powerful and stunning debut is based on a little-known true story." —Karen Briggs, Great Northern Books & Hobbies, Oscoda, MI
