Another Indie Favorite

The Pope's Daughter: A Novel, by Dario Fo (Europa Editions, \$16) "This is a delicious narrative that refutes the traditional belief that Lucrezia Borgia was an absolute villain. As Fo declares, 'there are two sides to every story,' and this retelling offers the positive side of Borgia's accomplishments, revealing both her humanity and her compassion. In his first novel, Nobel laureate and Italian playwright Fo weaves an engaging tale, both informative and humorous. While portraying the violence of the Borgia family and the times in which Lucrezia lived, Fo holds a mirror to the abuses of power in our own time." —Stephanie Crowe, Page & Palette, Fairhope, AL
