Another Indie Favorite for Ages 9 to 12
I'm With Cupid, by Anna Staniszewski (Sourcebooks Jabberwocky, \$7.99) "Lena is a reaper. When people are about to die, she touches them and sends them on their way. Marcus is a cupid. When he touches people, they fall in love. Lena and Marcus are both at the same eighth grade party when Connie pushes them into a closet and dares them to kiss. But this is no ordinary first kiss—it's electric, and now Lena is a cupid and Marcus is a reaper. What follows is chaos at its funniest. This is the start of a new series that promises to be great fun!" —**Janice Hunsche, Kaleidosaurus Books, Metamora, IN**

Another Indie Favorite for Teen Readers
Undertow, by Michael Buckley (HMH Books for Young Readers, \$18.99) "Undertow is an exciting new sci-fi teen thriller. Lyric lives in a state of fear — fear that her family's secret will be revealed, fear for the safety of her best friend, and fear of the feelings she is developing for the Prince of the Alpha, the beings that walked out of the ocean three years ago. Soon, Lyric discovers that there is more at stake than her own personal safety and that of those on Coney Island. How far will she go to save those she loves and the world itself?" —**Lisa Nehs, Books & Company, Oconomowoc, WI**
