### Another Illustrated Indie Favorite

**Nerdy Birdy, by Aaron Reynolds, Matt Davies (Illus.) (Roaring Brook Press, \$16.99)** "Nerdy Birdy likes reading and video games and reading about video games — things none of the cool birds like. Then he finds some fellow nerdy birdies who like the same things he does and Nerdy Birdy isn't lonely anymore. When a new bird who is different from his friends shows up, Nerdy Birdy has to decide what is more important: fitting in, or making friends. This book will appeal to kids who are different and will make a great conversation starter about inclusion." —**Melissa Oates, Fiction Addiction, Greenville, SC**
