### Another Illustrated Indie Favorite

**Even Monsters Say Good Night, by Doreen Mulryan Marts (Capstone Young Readers, \$14.95)** "It's bedtime and Avery is afraid to go to sleep. She knows that there are monsters in her closet, under her bed, and hiding in her room. When she asks her mother about them, the answers surprise her. After all, even monsters need their sleep. With brightly colored pictures and a gentle text, this book will reassure little ones who worry about monsters at night."
