Another Indie Favorite for Ages 9 to 12
A Year in the Life of a Complete and Total Genius, by Stacey Matson (Sourcebooks Jabberwocky, \$15.99) "Arthur Bean is sure that he can write a brilliant, award-winning novel—just as soon as he gets an idea. With lots of warmth, humor, and sly wit, Canadian author Matson introduces readers to one of the funniest characters to ever cross the pages of middle-grade literature. With his story told through a series of e-mails, journal entries, and memos, Arthur Bean is a unique new voice not soon to be forgotten. My fingers are crossed for a sequel!" —**Pamela Klinger-Horn, Excelsior Bay Books, Excelsior, MN**

For Teen Readers: Revisit & Rediscover
My Most Excellent Year: A Novel of Love, Mary Poppins, and Fenway Park, by Steve Kluger (Speak, \$8.99) "Three high school seniors are given an assignment to reflect on their favorite times in high school and *My Most Excellent Year* by Steve Kluger is the funny, thoughtful, and oh-so-sweet product. Alejandra, T.C., and Augie tell their stories in alternating chapters, remembering school musicals, baseball games, Mary Poppins, social activism, and the year they made a little boy's dream come true." —**Diane Capriola, Little Shop of Stories, Decatur, GA**
