### Another Indie Favorite

**The Country of Ice Cream Star: A Novel, by Sandra Newman (Ecco, \$16.99)** "Newman drops the reader into a small tribe of scavengers, hunting and thieving out a meager survival in the woods of Massachusetts, approximately 80 years after an unnamed plague has wiped out most of the U.S. population. The world Newman creates is original, richly detailed, and compellingly realized, including the patois in which the story is told. At turns violent, romantic, funny, and touching, *The Country of Ice Cream Star* wraps an exploration of power, American institutions, race, and human nature into a ripping, twisting, and turning post-apocalyptic tale that is epic in scope and achievement." —**Matt Nixon, The Booksellers at Laurelwood, Memphis, TN**
