### Another Illustrated Indie Favorite

**Frederick's Journey: The Life of Frederick Douglass, by Doreen Rappaport, London Ladd (Illus.) (Jump at the Sun, \$17.99)**

"Frederick's Journey is full of important stories and heart-wrenching illustrations. Following the life and adventures of Frederick Douglass, outspoken advocate for freedom and equality, readers will feel that this is more than just another history lesson, but rather a stirring reminder of what life was like for slaves in the United States. This book, weaving Douglass' own words with those of Rappaport, will inspire and provide hope to all readers." —Janice Tripp, Whistle-Stop Mercantile, Douglas, WY
