Another Indie Favorite
Tightrope, by Simon Mawer (Other Press, \$15.95) "Picking up where he left off in *Trapeze*, Mawer reacquaints readers with Marian Sutro, whose role with the WWII Special Operations Executive resulted in interrogation, incarceration, and the brutalities of a concentration camp. Returning to London, Sutro attempts to put her life back together, but players from her past reemerge, leading her down the familiar paths of deceit and deception, this time within the shifting landscape of the Cold War. Mawer brilliantly blends fact and fiction, and what results is a gripping tale of suspense, intrigue, and espionage that will keep readers up late into the night." —Anderson McKean, Page and Palette, Fairhope, AL
