### For Ages 4 to 8: Revisit & Rediscover

**The Other Side, by Jacqueline Woodson, E.B. Lewis (Illus.) (Putnam Books for Young Readers/Penguin, \$16.99)** "Jacqueline Woodson's gem of a picture book tells of the fence that runs through town, dividing the white side from the black side. Two young girls, Annie and Clover, whose yards are back-to-back, watch each other through the fence. Both were told by their mamas not to cross over to the other side, but no one told them not to sit on top of the fence. One day they dare to climb up and sit together, with the hope that 'someday somebody's going to come along and knock this old fence down.'" —Sharon Hearn, *Children's Book World*, Los Angeles, CA
