Other Indie Favorites

Like Family: A Novel, by Paolo Giordano (Pamela Dorman Books/Viking, \$22) "This short, spare, beautifully evocative novel becomes a major meditation on the mystery of life, with all of its attendant joy and sorrow. The story of Anna—caretaker, nanny, and confidant—becomes the tale of all families with the extremes of happiness and sadness inherent in every situation. *Like Family* is poignant, sure to stir emotions in any reader, and, in the end, a paean to living the life that is given." —**Bill Cusumano, Square Books, Oxford, MS**

The Comedians: Drunks, Thieves, Scoundrels, and the History of American Comedy, by Kliph Nesteroff (Grove Press, \$28) "This is a sweeping, in-depth story of how American comedy evolved from its earliest days. From vaudeville and radio to mob-controlled night clubs and television, Nesteroff is adept at showing how the seedy underbelly of show business shaped the stars of yesterday and today. Stuffed to the brim with amusing anecdotes and insider gossip, it is an eye-opening trip. A former comedian himself, Nesteroff has long been a chronicler of the history of comedy in America, and this book is the culmination of years of interviews and research. Fun, entertaining, and insightful." —**Jay Aubrey-Herzog, Northtown Books, Arcata, CA**

Another Indie Favorite

A Dictionary of Mutual Understanding: A Novel, by Jackie Copleton (Penguin Books, \$16) "An intimate look at the devastating effect of the bombing of Nagasaki on one family, this is a story of love—parental and sexual, selfless and selfish, and, in the end, healing. Amaterasu Takahashi opens the door of her home in the U.S. to a badly scarred man claiming to be her grandson, who supposedly perished along with her daughter during the bombing nearly 40 years earlier. The man carries a cache of letters that forces Ama to confront her past and the love affair that tore her apart from her daughter." —**Sandi Torkildson, A Room of One's Own, Madison, WI**

For Ages 9 to 12:

My Diary From the Edge of the World, by Jodi Lynn Anderson (Aladdin, \$16.99) "What if your grandmother were a witch? What if you could hire a guardian angel to protect you? What if dragons migrated south for the winter? What if you could tame a sasquatch by singing 'Hotel California'?" These are all part of Gracie's reality, but so is the dark cloud that follows her family in a quest to take one of their spirits. Can the family escape its fate by taking off on an epic road trip to the end of the earth?" —**Summer Laurie, Books Inc., San Francisco, CA**

For Teen Readers

Not If I See You First, by Eric Lindstrom (Poppy, \$18) "Parker is blind and has been for years. She copes by not caring what anyone thinks of her as long as they follow The Rules—a set of what she considers common-sense guidelines for dealing with someone who is blind. Parker enforces The Rules even more strongly since her best friend Scott broke her heart years ago. But when Scott returns, Parker starts to realize that maybe she doesn't know everything she thought she did. Maybe some Rules are meant to be broken. A thoroughly enjoyable debut!" —**Melissa Oates, Fiction Addiction, Greenville, SC**

For Ages 4 to 8

W Is for Webster: Noah Webster and His American Dictionary, by Tracey Fern, Boris Kulikov (Illus.) (FSG Books for Young Readers, \$17.99) "In 1825, Noah Webster completed a dictionary of American English. Nearly 25 years in the making, with over 70,000 entries, Webster's work remains—even today—the most used dictionary in the U.S. In Fern's delightful biography, readers meet the quirky man who changed the face of language for generations of Americans, and Kulikov's distinctive illustrations reflect the humor of Fern's appealing, informative text." —**Christopher Rose, Andover Bookstore, Andover, MA**
