Another Indie Favorite

The Unfinished World: And Other Stories, by Amber Sparks (Liveright, \$16.95) “The beautiful stories in Sparks’ debut collection have an ephemeral quality that is difficult to categorize. Comparisons can be made to Haruki Murakami or George Saunders, but the writing is honestly unlike anything I have ever read. The otherworldliness of these stories will transport you beyond the minutiae of your everyday life and alter the way you look at the world.” —Shawn Donley, Powell’s Books, Portland, OR
