Other Indie Favorites

Eruption: The Untold Story of Mount St. Helens, by Steve Olson (W.W. Norton, \$27.95) "Eruption is everything a nonfiction book should be: Marvelous storytelling mixed with a great cast of characters, fascinating science, and little-known history. Anyone with even a passing interest in the Pacific Northwest or volcanoes will love this book. I read it in three long, satisfying gulps, and, like all great books, its stories linger in the mind long after you've read the last page." —**Tom Campbell, The Regulator Bookshop, Durham, NC**

All the Winters After: A Novel, by Seré Prince Halverson (Sourcebooks Landmark, \$24.99) "This is the compelling story of a damaged young woman, Nadia, who has taken refuge in a cabin in the Alaskan woods for the last 10 years after escaping an abusive marriage. Kachemak Winkel, the cabin's owner, returns to Alaska after a long absence, still mourning for his parents and older brother, who lost their lives in a plane crash 20 years earlier. Two young, damaged souls are at the heart of this beautifully written novel, and the wild and dangerous beauty of Alaska is present throughout. Perfect for book groups!" —**Patricia Worth, River Reader Books, Lexington, MO**
