Another Indie Favorite

Blackass: A Novel, by A. Igoni Barrett (Graywolf Press, \$16) "We have seen transformation handled masterfully in literature, and *Blackass*, with its black, Nigerian protagonist waking up in the body of a white man, immediately calls to mind Kafka's *Metamorphosis*. But this is something more, something different. There is a willingness here to confront how we create our identities—racially, politically, and even on social media. Barrett does this with intelligence and a playful humor that is by turns bright and biting. There is an edge to *Blackass*, a fire, the beginning of trouble. This is Kafka for the Kanye generation." —**Kenny Coble, King's Books, Tacoma, WA**
