For Ages 4 to 8: Revisit & Rediscover

How to Heal a Broken Wing, by Bob Graham (Candlewick Press, \$16.99)

"How to Heal a Broken Wing is a gem of a picture book, geared to children ages 3-7, but one that can enrich readers of all ages with its message of the power of an act of kindness. With minimal text and exquisite illustrations that propel the simple story, a young boy brings home a bird with a broken wing and, with support from his parents, helps it recover from its injury. Graham says it best: 'With rest ... and time ... and a little hope ... a bird may fly again.'" —Sharon Hearn, Children's Book World, Los Angeles, CA
