Too Many Carrots, by Katy Hudson (Capstone Young Readers, \$14.95)

"If you're a rabbit, is there really such a thing as too many carrots? Rabbit is hard-pressed to admit that too many carrots are his problem. There is no longer enough room for him in his burrow, so he tries moving in with his friends. The results are predictable, but Rabbit learns a valuable lesson. This is a lovely story about sharing that is sure to be enjoyed by all."
