Another Indie Favorite

Speak: A Novel, by Louisa Hall (Ecco, \$15.99)

"This is an amazingly complex novel that explores humanity, time, memory, communication, love, and the fear of losing what once was. Introducing five different narratives that at first seem unconnected, Hall creates a shimmering spiderweb of a story: delicately crafted, fragile, and infinitely beautiful, uncovering humanity's most elusive and abstract thoughts. Hall impresses upon the reader the importance of speaking not just in order to move forward, but also in order to retain the past: 'They are all in me, in the words that I speak, as long as I am still speaking'."

—Nancy Solberg, Odyssey Bookshop, South Hadley, MA
