### Another Indie Favorite

**Church of Marvels: A Novel, by Leslie Parry (Ecco, \$15.99)** "In this page-turner of a debut very little is what it first appears to be. Set in Coney Island and Manhattan at the end of the 19th century, *Church of Marvels* is populated with carnival folk and others living on the edge of society with either much to hide or much to discover. The characters are richly drawn and their circumstances exceptionally intriguing as they seek and find the complicated truths of their lives in the dark underbelly of New York." —**Cathy Langer, Tattered Cover Book Store, Denver, CO**
