Another Indie Favorite
Grief Is the Thing With Feathers: A Novel, by Max Porter (Graywolf Press, \$14) "This novel in verse begins with the death of a wife and mother told through the eyes of her husband, her two sons, and, unexpectedly, a crow. Crow—one part trickster-god, one part guardian, and wholly unpredictable—descends upon this fractured family to watch over them in their grief and guide them back to the land of the living. Porter's phrases and descriptions startled me with their clarity and undid me with their simple and unexpected poignancy." —Emily Crowe, **Odyssey Bookshop, South Hadley, MA**
