Douglas, You Need Glasses!, by Ged Adamson (Schwartz & Wade, \$16.99) "Douglas the dog keeps busy playing with his girl, Nancy, but he is so nearsighted that when things get complicated, Nancy has to take him to the eye doctor for glasses. The vibrant and silly illustrations add to the fun as Douglas selects his first pair of glasses and discovers how amazing everything really looks. The two-page spread of photos of real kids wearing glasses clinches the deal, making this a perfect book for children—or anyone—who needs glasses." —Joan Trygg, Red Balloon Bookshop, St. Paul, MN
