### Other Indie Favorites

**Smoke: A Novel, by Dan Vyleta (Doubleday, \$27.95)** "Imagine a world where every dark thought you possessed was revealed by a wisp of smoke. And what if a portion of society could hide their darkness, while others were forever stained by their sins? Set in an alternative England, this tale reveals what really lies behind this sinful soot through the eyes of three teenagers who begin to question all they have been told. *Smoke* is a brilliant combination of fantasy and historical fiction, where layers of mystery and glimmers of truth will keep readers feverishly turning pages until the very end." —**Luisa Smith, Book Passage, Corte Madera, CA**

**Wintering: A Novel, by Peter Geye (Knopf, \$26.95)** "It is tempting to inhale *Wintering* in a great rush because it is such a suspenseful, wild, and dangerous survival story. That would be a mistake. Geye magically conveys the starkness, beauty, and despair of the northern Minnesota borderlands in prose that deserves to be savored. He gives us characters with deep, complex interior lives, who struggle with secrets, love, and damaged relationships. A powerful father-son story and a landscape revealed in breathtaking detail make this a novel to read with care and wonder." —**Tripp Ryder, Content Bookstore, Northfield, MN**
