For Ages 4 to 8: Revisit & Rediscover

Too & Puddle, by Holly Hobbie (Little, Brown Books for Young Readers, \$7.99) Originally published in 1997

"Heartwarming and beautifully illustrated, *Too & Puddle* is a favorite for young and old alike! Too and Puddle are the 'bestest' of friends, but enjoy very different things. Puddle appreciates the comforts of home, while Too travels the world. Too's postcards from around the globe contrast with Puddle's activities back in Woodcock Pocket. People—and pigs—can find excitement and joy in different ways, but having a friend with whom to share makes any experience all the more meaningful."
