Other Indie Favorites

Disappearance at Devil's Rock: A Novel, by Paul Tremblay (William Morrow, \$25.99) "When a young boy goes missing, his mother and sister begin finding pages from his diary revealing secrets they had never suspected. Where did he go, and why won't his friends tell anyone the truth? Tremblay peels back the layers of a quaint New England town to expose the ugly underbelly of family life in the U.S. *Disappearance at Devil's Rock* is a shocking, scary, and disturbing read, the result of a powerful storyteller at work, and it solidifies Tremblay's reputation as a master of psychological suspense." —**William Carl, Wellesley Books, Wellesley, MA**

The Trouble With Goats and Sheep: A Novel, by Joanna Cannon (Scribner, \$25) "Best friends Grace and Tilly spend England's sweltering summer of 1976 sleuthing for clues to uncover the reason for their neighbor's disappearance. They go from house to house, neighbor to neighbor, investigating as only guileless little girls can do. While they're at it, they also look for god in the most unusual places. As the mystery of the neighborhood is slowly revealed, so are the many secrets behind every door on the avenue. If you loved *A Man Called Ove*, you will love *The Trouble With Goats and Sheep*. Funny, quirky, and profound!" —**Cathy Langer, Tattered Cover Book Store, Denver, CO**
