### Another Indie Favorite

**The Gates of Evangeline: A Novel, by Hester Young (G.P. Putnam's Sons, 9780425283172, \$16)** "Charlie Cates recently lost her young son and the job that she worked so hard for is probably going to be eliminated. When Charlie is offered a chance to write about the Deveau family and their child who went missing over 30 years ago, she jumps at the chance. What she hasn't told anybody is that she has been seeing visions of children in trouble and is currently experiencing one of a young boy in a rowboat in a Louisiana swamp who she suspects is the missing Deveau child. A wonderful puzzle with a Southern Gothic feel, this is a definite must-read!"—**Janice Hunsche, Kaleidosaurus Books, Metamora, IN**
