15. Thirteen Reasons Why
Jay Asher, Razorbill, \$10.99

For Ages 9 to 12

Lucy, by Randy Cecil (Candlewick, \$19.99)

"This new book from Cecil has all the charm and energy of an early black-and-white movie. Organized into four acts, the main actors are Lucy, a little street dog; Eleanor, the girl who feeds her scraps each morning; and Eleanor's father, Sam, who must overcome his stage fright to succeed as a juggler on the vaudeville stage. Precise repetition of actions and reactions give the story clear beats, and readers will enjoy finding tiny changes in Cecil's camera-lens illustrations. An excellent choice for fans of dogs, juggling, and dreams coming true." —**Cecilia Cackley, Hooray for Books!, Alexandria, VA**

For Teen Readers: Revisit & Rediscover

The Disreputable History of Frankie Landau-Banks, by E. Lockhart (Disney-Hyperion, \$9.99, originally published in 2009)

"This is one of my all-time favorite books! Funny, subversive, and smart, it is about a girl who infiltrates the boys-only private school club she is excluded from, which neither her boyfriend nor her father will tell her about because she's a girl. Frankie is gutsy, stays true to herself, and uses her wits to become an amazing kick-butt heroine for any girl asking, 'What do you mean I can't do that?'" —**René Kirkpatrick, University Book Store, Seattle, WA**
