Another Indie Favorite

The Art of Waiting: On Fertility, Medicine, and Motherhood, by Belle Boggs (Graywolf Press, \$16) "Boggs tackles a variety of challenging topics throughout this cohesive collection of essays. With a knowledgeable, considerate, and honest mind, Boggs is somehow able to transform the clinical and sedate language of infertility treatments into a beautiful song of hope and transformation. The metaphors Boggs finds for her travails sing, and the patient quality of her narration stuns. The candidness of her voice combined with her ability to find the perfect words to sum up data, studies, statistics, and personal experience make *The Art of Waiting* a gift for all readers." —**John Francisconi, Bank Square Books, Mystic, CT**
