The Water Princess, by Susan Verde, Peter H. Reynolds (Illus.) (G.P. Putnam's Sons Books for Young Readers, \$17.99) "Verde and Reynolds have channeled their distinctively beautiful styles to depict life in an African village, the inhabitants' long journey to water, and the story of one powerful girl. The lush colors and gorgeous landscapes belie the hardship at the center of this true story, based on the life of supermodel Georgie Badiel: The extreme lengths people often have to go to just to get drinking water. This is an excellent book to introduce a difficult subject to a young audience in an empathetic way." —Sarah Holt, Left Bank Books, St. Louis, MO
