Another Indie Favorite

The Loved Ones: A Novel, by Sonya Chung (Relegation Books, \$18)

"Chung offers readers an intelligent, compassionate story that crosses all kinds of divides. The pages turn quickly as the story of two families, their pasts, and the consequences of their current actions are presented. Each character is empathetic and compelling, and the prose is, at some points, heartbreaking in its simplicity. This novel brings a unique perspective to immigration history in the U.S., and the contrasting cultures, as well as the contrast in generations, makes for a fast read and a powerful narrative. *Long for This World* made Chung a writer to watch, but with this book she should jump right to the top of everyone's must-read pile." —Abby Fennewald, BookPeople, Austin, TX
