A Child of Books, by Oliver Jeffers and Sam Winston (Candlewick, \$17.99) "This book is a quiet and powerful homage to the transformative power of children's literature. Readers follow a young girl as she travels a sea of words to collect a boy in need of an adventure. The imaginations of both the reader and the boy bloom under the guidance of the young girl, and by journey's end everyone becomes a Child of Books. Jeffers' colorful illustrations draw new and familiar fans alike into the story, while Winston's typographic scenery holds many rewards for the careful and observant reader." —**Amy Brabenec, Brookline Booksmith, Brookline, MA**
