15. Replica

Lauren Oliver, Harper, \$19.99

For Ages 9 to 12

Ryan Quinn and the Rebel's Escape, by Ron McGee, Chris Samnee (Illus.) (HarperCollins, \$16.99) "Eighth-grader Ryan Quinn has no idea that his parents are part of a super secret Underground Railroad-type organization that operates in many of the world's most dangerous places. Now he must try to save both of them with the help of some of his school friends. I love the way that debut author McGee gets inside the head of his protagonist and that of his techno-geek friend, Danny. These characters ring true, the action is non-stop, and fans of adventure, spy thrillers, and just plain fun storytelling will be eagerly awaiting the next installment." —Maureen Palacios, *Once Upon a Time*, Montrose, CA

For Teen Readers

The Hundred Lies of Lizzie Lovett, by Chelsea Sedoti (Sourcebooks Fire, \$17.99) "Hawthorn is an engaging young woman with a vivid imagination, even if she is a bit rude and narcissistic. She is finding her place and trying to answer a lot of life's tough questions, and her investigation into the puzzling disappearance of Lizzie may hasten that process. With an interesting and diverse supporting cast, this novel is full of topics that are relevant to teens: bullying, self-esteem, family dynamics, and suicide. Highly recommended!" —Emily Galer, *Schuler Books & Music*, Grand Rapids, MI
