Another Indie Favorite

Fallen Land: A Novel, by Taylor Brown (St. Martin's Griffin, \$15.99) "Fallen Land by debut novelist Brown is like a blend of Charles Frazier's *Cold Mountain* and Cormac McCarthy's *The Road* set in the southern Appalachians and Georgia during Sherman's March to the Sea. Brown shares the beautifully written story of Callum, a young Irish immigrant, and Ava, the orphan daughter of a Carolina doctor who perished in the war. Together they stay one step ahead of a loosely formed band of vicious bounty hunters at the trailing end of Sherman's scorching destruction of the South. Determination, survival, and love all combine to form a thrilling and romantic story set during the final days of the Civil War." —**Doug Robinson, Eagle Eye Book Shop, Decatur, GA**
