For Ages 9 to 12

The Ethan I Was Before by Ali Standish (HarperCollins Children's Books, \$16.99)
"The Ethan I Was Before is quietly engaging, heartfelt, and authentic. Sometimes the most meaningful books are not the ones that hit you over the head with issues and drama, but the ones that slowly unfold to tell you a personal story. Standish does just that through a unique setting and well-drawn cast of supporting characters." —
Johanna Albrecht, Flyleaf Books, Chapel Hill, NC

For Teen Readers

Allegedly, by Tiffany D. Jackson (Katherine Tegen Books, \$17.99) "Nine-year-old Mary B. Addison is allegedly guilty of murdering a three-month-old child who was left under her mother's care. At the age of 16, when Mary is faced with a life-changing event, she feels that she must tell the truth about that terrible night. Desperate to do right for herself, Mary begins to talk about the relationships that hurt her and the reason she didn't speak up for herself at the time. As secrets are revealed, readers begin to see the real Mary...but who is she? A highly addictive book that held me captive until the very end." —
Teresa Steele, Old Firehouse Books, Fort Collins, CO
