### Another Indie Favorite

**Dodgers: A Novel, by Bill Beverly (Broadway Books, \$15)** "Four young black men, following orders, leave their tightly bound South Central Los Angeles community, and drive across the country to perform a hit to prevent a witness from testifying against their boss. They are ghetto born, raised, and trained, so they have outlaw skills and the resulting respect in their community. In wide-open America, they are profoundly out of their comfort zone. What each young man does with his skills, wits, sense of duty, and—for one in particular—a dawning sense of what the future holds for such a lifestyle forms the core of this powerful novel. Provocative, gripping, and timely, *Dodgers* is a riveting read that leaves a lasting impression." —**Sheryl Cotleur, Copperfield's Books, Sebastopol, CA**
