### Another Indie Favorite

**Behave: A Novel, by Andromeda Romano-Lax (Soho Press, \$15.95)** "Behave is a rich and nuanced glimpse of Rosalie Rayner, the woman behind John B. Watson, the man who founded behaviorist psychology. The ethical issues presented here are both shocking and thought-provoking, and the intimate struggles of a woman weighing her value, utility, and satisfaction both within and outside the home certainly resonate today. Beautifully written and meticulously researched, this is a novel to be savored and shared." —Tova Beiser, Brown University Bookstore, Providence, RI
