### Another Indie Favorite

**Eruption: The Untold Story of Mount St. Helens, by Steve Olson (W.W. Norton, \$16.95)** "Eruption is everything a nonfiction book should be: marvelous storytelling mixed with a great cast of characters, fascinating science, and little-known history. Anyone with even a passing interest in the Pacific Northwest or volcanoes will love this book. I read it in three long, satisfying gulps, and, like all great books, its stories linger in the mind long after you've read the last page." —Tom Campbell, The Regulator Bookshop, Durham, NC
