Another Indie Favorite

A Little More Human: A Novel, by Fiona Maazel (Graywolf Press, \$16) "A Little More Human kept me up way past my bedtime. Fiona Maazel's seamless novel draws you in subtly and irresistibly. I just had to know how Phil Snyder (nursing assistant, professional superhero impersonator, and actual mind-reader) ended up on a horse with splashes of blood on his clothes and no memory of how he got there. Uncovering secrets in snippets along with Phil reminded me of his own mind-reading talent and built the suspense beautifully page by page. Another clever literary masterpiece from Fiona Maazel!" —**Anna Thorn, Upshur Street Books, Washington, DC**
