### Another Indie Favorite

**Father's Day: A Novel, by Simon Van Booy (Harper Perennial, \$15.99)** "Van Booy's delicate touch is turned to the relationship between the orphaned Harvey and her uncle, Jason, a man no one could expect to be the right choice as guardian. Van Booy uses a series of Father's Day gifts given to Jason from the now adult Harvey to reveal more than either of them realized about the life they have shared as adoptive father and daughter, as well as the heartbreaking truth of how they came to be a part of each other's lives. *Father's Day* is Van Booy at his most poignant, showing how redemption can arise from heartbreaking circumstances." —**Don Luckham, The Toadstool Bookshop, Keene, NH**
