Another Indie Favorite

Lily and the Octopus: A Novel, by Steven Rowley (Simon & Schuster, \$16) "Lily and the Octopus is a profound book about all the important things in life—love, how to let go, how important it is to live in the moment, and how one big love can lead to another. And Lily, dear Lily, is at the center—a smart, movie-loving dog who would never pass up the chance at some good ice cream, tofurkey dinner, or beaming her unconditional love at her human companion, Ted. Told with humor, compassion, and a quirky sense of life's possibilities, *Lily and the Octopus* will hold you by the heart long after the final page is turned." —Pam Cady, University Book Store, Seattle, WA
