Introduce

The Readymade Thief, by Augustus Rose (Viking, \$26) "Lee is a 17-year-old girl who has gotten into a bit of trouble. Not that she is innocent, or completely guilty either. She runs with the wrong crowd, steals something that is not hers, and now she is on the run with nobody to turn to. Rose takes readers into the underbelly of Philadelphia to solve the mystery Lee has fallen into. Rose melds together information and story methods with amazing skill, drawing on secret societies, hacking, art theft, conspiracies, drugs, and so much more. This plot moves; it does not slow down until it reaches the conclusion, which will have you gasping for breath. Such a brilliant journey." Jason Kennedy, Boswell Book Company, Milwaukee, WI

A Kind of Freedom, by Margaret Wilkerson Sexton (Counterpoint, \$26) "I loved the different generations in A Kind of Freedom, beginning with the parents of Evelyn and Ruby, who seem so proper and clean, to presentgeneration TC, a very likable, hopeful character, but one whose circumstances involve him in drugs and prison. I found the evolution of the family to present day sad but fascinating, and I couldn't help but root for every single character. In the end, you still feel hopeful despite it all." — Margot Farris, pages: a bookstore, Manhattan Beach, CA

Another Indie Favorite

ramblings of a self-imposed who has left the modern world behind in search of communion with nature, the meaning of life, connection with a shadowy past, or maybe something more. Soon, he begins having surreal experiences in a strangely featureless and seemingly inescapable landscape and becomes obsessed with the only other living thing he can find—a large, mysterious cat roaming the moor. Written with a relations intensity that will speed you along to the anigmatic relentless intensity that will speed you along to the enigmatic ending, *Beast* traverses the realms of the mind and questions humanity's perceived place in the natural world." --Keaton Patterson, Brazos Bookstore, Houston, TX

For Ages 9 to 12

The Apprentice Witch, by James Nicol (Chicken House, \$16.99) "When Arianwyn unexpectedly fails her witch qualification test, she's basically banished to a backwater town called Lull to work as an apprentice. No one expects that she'll have much to do, but there's something dark lurking in the woods around Lull and Arianwyn might be the only one who can figure out what's gone wrong. Full of lovely, familiar-feeling magic and a cast of entertaining characters, this book is a delightful read in the style of the best British fantasy." -Lillian Tschudi-Campbell, Red Balloon Bookshop, St. Paul, MN
