For Ages 9 to 12

Sidetracked, by Diana Harmon Asher (Amulet Books, \$16.99) "Sidetracked is the story of two outsiders connecting. Heather and Joseph are complete opposites: she is tall, strong, and an excellent student, while he is puny, has severe attention deficit disorder, and sees every school day as a struggle to survive. Diana Harmon Asher has crafted a highly satisfying underdog story about the power of trying to do your personal best." —**Laura Delaney, Rediscovered Books, Boise, ID**

For Teen Readers

Dear Reader, by Mary O'Connell (Flatiron Books, \$17.99) "Dear Reader is a quirky and unique novel about the ways relationships change us. A special teacher can change the way you think or read, a first love can affect the ways we move through adulthood, and fiction can alter how we view the world around us. Mary O'Connell playfully explores the relationships Flannery forms with others, not through action but through unique narrative devices and interior voices. Alternately emotional and lighthearted, Dear Reader will satisfy bookish types and Brontë enthusiasts of all ages!" —**Johanna Albrecht, Fyleaf Books, Chapel Hill, NC**
