### Another Indie Favorite

**Close Enough to Touch: A Novel, by Colleen Oakley (Gallery Books, \$16)** "It was just a kiss, but it nearly killed her. Jubilee is allergic to people. She can't be touched by strangers, well-meaning or not. She retreats into her shell, away from the world, but her high school years pass, then her parents are gone, and, finally, she must move out into the world or die. She finds a home for her quiet life in a library, until Eric finds her and insists that she discover the truth of a life lived without fear. *Close Enough* is filled with real life, real people, and the search for happiness that we all recognize. It is a truly moving story from a rare gem of an author." —**Linda Bond, Auntie's Bookstore, Spokane, WA**
