#### For Ages 9 to 12

**Sidetracked, by Diana Harmon Asher (Amulet Books, \$16.99)** "Sidetracked is the story of two outsiders connecting. Heather and Joseph are complete opposites: she is tall, strong, and an excellent student, while he is puny, has severe attention deficit disorder, and sees every school day as a struggle to survive. Diana Harmon Asher has crafted a highly satisfying underdog story about the power of trying to do your personal best." —**Laura Delaney, Rediscovered Books, Boise, ID**

#### For Teen Readers

**All Rights Reserved, by Gregory Scott Katsoulis (Harlequin Teen, \$18.99)** "In a dystopian future in which words and gestures have been copyrighted and citizens are charged for even the most basic forms of communication, the ultimate act of resistance may be to choose silence. In this richly imagined novel, Katsoulis explores ideas of free speech and the consequences of intellectual property law through characters that are sympathetic, tough, and thoroughly believable. All Rights Reserved is an excellent sci-fi thriller with a sense of humor and a political conscience. For anyone who feels the need for a little bit of revolution, this book is just the thing." —**Annie Farrell, Labyrinth Books, Princeton, NJ**
