Mr. Dickens and His Carol: A Novel of Christmas Past, by Samantha Silva (Flatiron Books, \$24.99) "Full of fantastic period detail and delightful prose, *Mr. Dickens and His Carol* is a wonderful companion to the enduring holiday classic *A Christmas Carol*. Charles Dickens, beleaguered by his demanding relatives and expectant children, is unable to find any Christmas within him to produce a holiday story. Fate intervenes when a mysterious woman crosses his path and becomes his much-needed muse, sending Dickens on a journey of inward reflection and reminding him not only of the joys of the season but how his cherished works are a gift for everyone who reads them." —**Meaghan Beasley, Island Bookstore, Kitty Hawk, NC**

It's All Relative: Adventures Up and Down the World's Family Tree, by A.J. Jacobs (Simon & Schuster, \$27) "For anyone interested in climbing their own family tree, A.J. Jacobs' *It's All Relative* offers a lighthearted crash course into the addictive world of genealogy. Inspired by the record-breaking get-togethers of the Lilly clan and heartened by the theory that we're all related, Jacobs embarks on a quest to hold the world's largest family reunion. As Jacobs juggles the mechanics of such a massive undertaking, he interviews well-known researchers in the field, discovers famous 'cousins,' and considers some of the ethical issues of diving into an ancestor's past. An enjoyable introduction to genealogy and the living family tree." —**Molly Gillespie, Joseph-Beth Booksellers, Cincinnati, OH**
