10. Odessa Sea Clive Cussler, Dirk Cussler, Putnam, \$9.99

Another Indie Favorite

Mister Monkey: A Novel, by Francine Prose (Harper Perennial, \$15.99)

"Mister Monkey begins in the narrow spaces of a theater soon to be demolished for condos and widens as Prose shifts points of view from actor to costume designer to waiter to Hindu deity and back to the stage. Adolescent rage, loneliness, divinity, the end of the world, the beginning of love, the way we fail to live up to our dreams for ourselves, the fear of our own mediocrity, the unexpected victories that are the grace that fills the spaces made by disappointment: these are the soul of this novel with an agile, monkey heart. Both deeply moving and light, this is one of my favorite novels of the year." —Melanie McNair, Malaprop's Bookstore/Café, Asheville, NC
